# Supporting Your Projects...

## HILL HOUSE FARM, GREAT WITLEY, WORCESTERSHIRE

CFS Eternity LVT in Sand Limed Oak was specified for its golden, authentic rustic tones and distinctive open grain patterns in order to reflect the unique characteristics of the converted barn.

**Andy Ralph, Partner of A&J Ralph commented:** *“CFS Eternity LVT was the ideal flooring choice as it needed to be hardwearing, but also look stylish and uplift the look for the conversion with a modern twist. It was vital that we chose a premium product to fit with our high specification – while making it a comfortable living space for a rental property.”*

Range:

**CFS Luxury Vinyl Tile**

Product:

**CFS Eternity**

Colour:

**Sand Limed Oak**

## LAVISH LAWNS, ARTIFICIAL GRASS

Contractor James Seagroves installed 100m<sup>2</sup> of Lavish Lawns artificial grass in the style Flourish to uplift and refresh his garden. With a luxurious 38 mm pile height, Flourish looks realistic and was ideal to help James transform his lawn landscape project into a hassle-free area that can be enjoyed all year round.

***“I wanted a realistic-looking artificial grass because it is low maintenance and convenient, and Lavish Lawns has delivered – it looks great and I need never get the mower out again!”*** James commented.

Range:

**Artificial grass**

Product:

**Lavish Lawns**

Style:

**Flourish**

## ALLEN BUILD SOCIAL HOUSING REFURBISHMENT, BRISTOL

A range of high-performance flooring was installed by Specialist contractor, Knighton Contracts Ltd, including twenty-four apartments, as well as communal corridors and a seating area within the apartment buildings.

In addition to supplying all the floorcoverings, Carpet & Flooring was able to provide a full compliment of accessories, including: adhesives, gripper, door bars and CFS Commercial Double Stick Underlay.

**Lee Knighton commented:** *“I had excellent support from the Bristol sales team, including deliveries being on time and support throughout with the specification of the project.”*

WELLBEING**

## UNIVERSITY OF SALFORD, MANCHESTER

The University of Salford, Manchester was looking to update the flooring of Peel Hall, a historic Victorian building housing the University's lecture theatres. They contacted Barratt and Hughes their local flooring specialist to find a solution. CFS Precision Txture was selected to complement the aesthetics of the university.

**Simon Peers, Director at Barrett and Hughes commented:** *"We have a partnership with the University, and so when they asked me to take on the project, I was more than happy to. The flooring tiles that were previously there were beige, and didn't suit the room, so we selected the CFS flooring in a colour that matched the seating and colour scheme.*

*"We chose CFS Precision Txture because we had actually recently installed the flooring in a Carpet and Flooring store, after receiving a recommendation. So we knew the carpet looked great and that Carpet and Flooring would be reliable in its delivery."*

Range:

**CFS Carpet Tiles**

Product:

**CFS Precision Txture**

Colour:

**Rioja Red**

**STYLE FOR  
UNIVERSITIES**

**Award Winning Recycling**

Carpet & Flooring have gained recognition at the annual Recofloor Awards, picking up a string of commendations throughout the years.
