

Commercial Apprentice

At Carpet & Flooring, we pride ourselves on attracting and developing the best people in an environment where they can flourish. Our team shares the drive, determination and values that form the backbone of the company and distinguishes us in a highly competitive market. It is clear to us that the service to our customers relies on the quality, enthusiasm and dedication of our people. That's why we go to such lengths to create a business where staff enjoy what they do, feel valued, and are encouraged to fulfil their potential.

With 10 Nationwide branches, plus a National Distribution Centre in the Midlands, Carpet & Flooring has grown into one of the largest distributors of floor covering products. As part of this growth, we are now expanding our friendly and dynamic team.

Based at our National Distribution Centre in Redditch, we are looking for an open-minded apprentice to work within our fast-paced commercial team. No experience is necessary as full training will be provided. Duties will include assisting with the day to day administration of the commercial department and a day release at college working towards a Level 3 Business Administration Apprenticeship.

This role offers a wide array of opportunities for a future career within the sales and buying sector and would be ideal for an enthusiastic individual that wants to gain industry experience whilst achieving a professional qualification.

Whatever your background, our commitment to hiring the right people means we support, encourage and actively recruit a diverse workforce. No experience is necessary; however, our ideal candidate would have a positive, can-do attitude and a willingness to learn.
