

Call & Collect - What to do

Step 1

Contact your local branch by phone or email to place an order for collection

Step 2

The branch will confirm your order and will give you a time slot to collect the order

Step 3

You will receive an email confirming your order and collection time at branch

Step 4

Your order will be picked, ready for you to pick up from branch at the advised collection point

Step 5

When picking up your collection please observe the social distancing rules and adhere to the provided time slot
